

CCDC Inject

INJECT NAME	Reflection on Team Preparation
INJECT ID	ORGR09A

INJECT DESCRIPTION:

In reviewing the team's competition experience and the preparation efforts: describe one aspect of the preparation effort that could have been done differently, in retrospect. For example, perhaps more practice in a particular area, better knowledge about a particular area of technology, the development of procedures, access to a lab environment, better use of lab time etc.....

INJECT DELIVERABLE

Respond with a clearly written business memo that describes the one aspect of preparation that would be done differently.
