

CCDC Inject

INJECT NAME	Prep for Court Admissibility
INJECT ID	LEGP18A

INJECT DESCRIPTION:

The IT Director is concerned with being able to use the organizations equipment logs and investigations in court, should we have a significant breach or other event. We need to provide him with the key elements that would make our logs and investigative records admissible as evidence.

INJECT DELIVERABLE:

Respond with a business memo that outlines the essential elements that need to be in place in order for our logs and investigative records admissible as evidence in court.
